# ATHLETE TESTIMONIALS

My favorite part of SYC was seeing me and my team improve and gain new skills over the season and also traveling and competing in California and how it made me feel. It made me feel driven to achieve even more things and be successful  
-Mae, 8th Grader

My favorite part about being a SYC Cheerleader is having fun with my friends!  
-Bailey, 1st Grader

My favorite parts of SYC were definitely getting to be with new or old friends throughout the year and performing at competitions. Sherwood Youth Cheer got me through some hard times and all of the coaches were always there. I'm so grateful to have so many friends that I've met and bonded with through the program.  
-Violet, 8th grader

My favorite part about being a SYC Cheerleader is bonding with a team and having a cheer family... and the stunting!
